

The Boca Raton Club

SINCE 1926

Membership Renewal Questions & Answers August 2026

What is new that I can expect to see at The Club this season?

Continued enhancements are planned for the coming months:

- The Boca Raton's golf course will return to its roots in late fall—with modern twists. The reimagination includes a strategically challenging layout, a new irrigation system, and the latest, most advanced turf grasses throughout the course. In addition, the greens will have TifTuf 3D turf, allowing for faster, smoother, and more consistent green speeds. (Slated to reopen late fall 2026)
- The Golf Club's revamp extends beyond the course. Mulligans is being thoughtfully transformed with a new name and concept, expanded seating, a fully covered patio, and large-screen TVs, creating an even more inviting place to gather before or after your round.
- Mizner Center's 80,000 square feet of function space is undergoing a stunning refresh, led by acclaimed architecture and design firm Rockwell Group. When it reopens this fall, Mizner Center's ballrooms and pre-function spaces will reflect a modern sensibility, creating an elevated setting for member events and celebrations that bring our Club community together.
- This fall, Cloister will unveil a redesign of its 297 guest rooms and suites that honors the original building's architectural allure, drawing on the glamour of 1920s South Florida. That legacy is carried forward with a modern, playful aesthetic unique to The Boca Raton.
- Artisans of Wine & Food returns this January. Our third annual experience merges the excitement of the premier event with even bolder flavors and unforgettable moments from the vineyards of Napa Valley to South Florida's Atlantic Coast. During the multi-day event 120+ wineries and 20+ chefs from Michelin-starred and award-winning restaurants will wow guests with unforgettable experiences.
- The Club will continue to offer a variety of events for all interests like members-only signature events, family-friendly programming, the fashion and lifestyle series, and the Candlelight Chamber Concert Series in partnership with the Palm Beach Symphony.
- New partnerships with luxury lifestyle brands will grant you access to exclusive experiences and offerings, unlocking additional member benefits.

Will a printed Membership Renewal Guide be mailed to my home?

Based on member feedback and to provide a more user-friendly experience, this year the Membership Renewal Guide will be presented as a dedicated website rather than a digital flipbook. The new format offers easier navigation and allows us to keep information current throughout the renewal period. On August 18, you received a link to access the Membership Renewal website. If you would still prefer a printed copy, the Member Relations team will be happy to assist and can provide you with a condensed version.

Do I receive a discount on dues if I pay annually instead of monthly?

Yes, dues paid on an annual basis will receive a 10% discount.

Is The Club increasing the annual dues for the 2026-2027 season?

Yes, annual dues will be increasing this coming season. Each year, The Club carefully reviews a variety of factors when determining the dues for the upcoming year. One of the most significant drivers continues to be the rising costs of labor, food, and beverages—areas directly tied to the quality of service and experience we provide.

While we also consider the dues charged by other comparable clubs in South Florida as part of our broader evaluation, our primary focus remains on sustaining the elevated standards our members expect, while continuing to expand the amenities and experiences available to you. We are committed to offering strong value and will always strive to keep dues at a reasonable level in relation to the overall member experience.

Will I receive physical billing statements in the mail?

No, in response to member preferences for digital communication and as part of our commitment to sustainability, billing statements are no longer mailed (as of November 2024). Statements are emailed to the primary member on the membership account on the first of each month and are also available anytime on The Boca Raton Club mobile app (visible to primary member on the membership account only).

Will the Club be adding a second golf course?

The Club continues to invest and improve the member experience at The Golf Club, including reciprocal programs for Golf Add-On holders that offer year-round and seasonal reciprocal play. Club Members' desire for a second course is understood, and The Club will continue to consider all investment opportunities in the local area that add value to The Club and Club Members' experiences.

When will the Golf Course reopen this season? When will the driving range reopen this season?

We anticipate reopening both the golf course and driving range in late fall 2026. Be on the lookout for updates from The Club regarding progress and reopening details.
